

Reference for professional drinking glass rinsing

Spülboy Original

Dear Ms Sundbald-Schäfer,

After having tested the product thoroughly and having verified the provided certificates for the cleaning system **Spülboy Original** we further on award you with our label of proof "Recommended by the Federation of German Food Controllers".

The **Spülboy Original** rinses, when used according to instructions, drinking glasses hygienically perfect; this is also proved by inspection of the Institute Professor Georg Kurz.

Furthermore all **Spülboy Original** rinsing appliances comply with DIN 6653-3 "drink dispensing equipment - accessories part 3: requirements on manually operated drinking glass rinsing appliances with spatially separated pre- and post- rinsing" and require only one rinsing tank.

Henceforth all appliances are equipped with water supply pipes certified by the Guideline for the Hygienic Assessment of Organic Materials in Contact with Drinking water and the German Technical and Scientific Association for Gas and Water according to the latest Drinking water Ordinance.

Due to these specifications and when used according to instructions the **Spülboy Original** adds a lot to hygiene and food safety.

The Federation of German Food Controllers is excited about this positive outcome.

The reference is valid until November 27, 2014.

Yours sincerely,

A handwritten signature in green ink, appearing to read "Martin Müller".
